

PRESS RELEASE

The Organization's course continues at a rapid pace. Proceeds rapidly to scheduled distributions

The Extraordinary General Assembly of AUTODIA's Members was successfully concluded on Friday 17/1/2020 at the Titania Hotel, Athens, where - among others on the agenda - the Organization's progress at all levels and industry's critical issues were discussed with the active participation of all Members present.

During the meeting, the Chairman of the Board Mr. Nikos Antypas briefed the Members of the General Assembly on AUTODIA's recent initiative to invite all creators' unions and the formations that represent them to put the union of all Greek and foreign authors and rightsholders under the same roof on the table. In this context, interesting interventions, questions and suggestions, with social and cultural actions, were presented by several Members of the Organization through a constructive dialogue.

Members of the General Assembly have been briefed on the Organization's upward trend in terms of revenue from Public Performance, agreements reached with large market users, as well as with representative user bodies, on increased revenues, and ongoing negotiations with broadcasters, chambers of commerce and user associations.

All members of the General Assembly expressed their full support for AUTODIA and the common goal of a single CMO in Greece, highlighting the need for immediate attraction of all Greek and foreign creators / rightsholders in order to achieve market normalization immediately.

AUTODIA is preparing for the upcoming scheduled Distribution to its Members and foreign CMOs for the 1st Semester 2019, which is expected to begin by the end of January 2020.
